More than a year and a half after its still-birth the Seniors Housing Corporation is a fake DUMMY corporation, worse than what it replaces. The favorite buzz-word of the Sunshine Listed wonks that created it - like and especially Jill "Badaboom" Bada and our own "Country Non-Gentleman" Tommy Hunter (mean man with a microphone on Karaoke Town Hall Night!!) - is ACCOUNTABILITY - but there is NONE in Seniors Housing. Repairs to basic infrastructure from boilers to doors (front doors and fire doors) take "forever" and - if and when they're ever done - are jerry-rigged and half-assed. Criminal activity and elder abuse continue apace, and staff are totally feckless about them. The "channels" which the wonks have set up to deflect complaints - and identify complainers for eventual evictions - are given Orwellian names like "SOLUTIONS" - but they are just another part of the problem - which is WAREHOUSING. The "Integrated Service Model" on which the (DUMMY) corporation is based - exists only on paper. The only real thing about it is the salaries of its incompetent managers. It is an abuse and a fraud on all the people of Toronto.
